

# Communication rights

## in behaviour support planning

be listened to

express my  
feelings and needs

have my choices  
heard, respected  
and considered

say 'no'

learn how my plan  
will improve my  
life

ask questions about  
what is happening  
and why

learn about how  
others will keep  
me safe

**I have the right to...**

ask for information I  
can understand

be part of  
making my plan

information to help  
me take part in  
making my plan

be spoken to and  
about with respect

have information  
about behaviour  
support planning
